

# How 2 Scada Smartwall

Version 1—07/2022

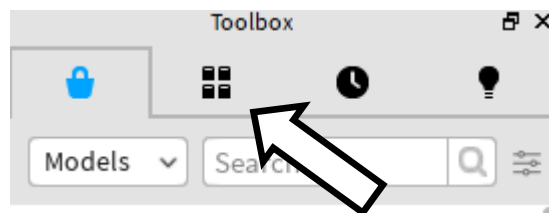

## Step 1: Upload your decals.

Visit [www.roblox.com/develop?View=13](https://www.roblox.com/develop?View=13) and upload your images.

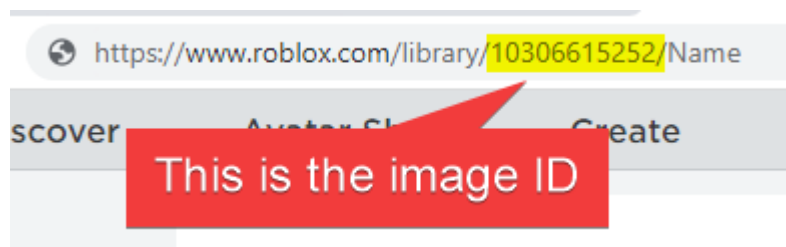

(how do i get my image id's?)

You can find your image id's in studio here:

Then right click the image and select "copy id".

Or in the url here

## SLIDESHOW

- Step 1:** Open the Slideshow config in Slideshow\_controller.
- Step 2:** Copy your image ID.
- Step 3:** Type “rbxassetid:///” then paste the ID.
- Step 4(optional):** Change the time (in seconds)
