How 2 Scada Smartwall

Step 1: Upload your decals.

Visit www.roblox.com/develop?View=13 and upload your images.

———————————————————————————————————————
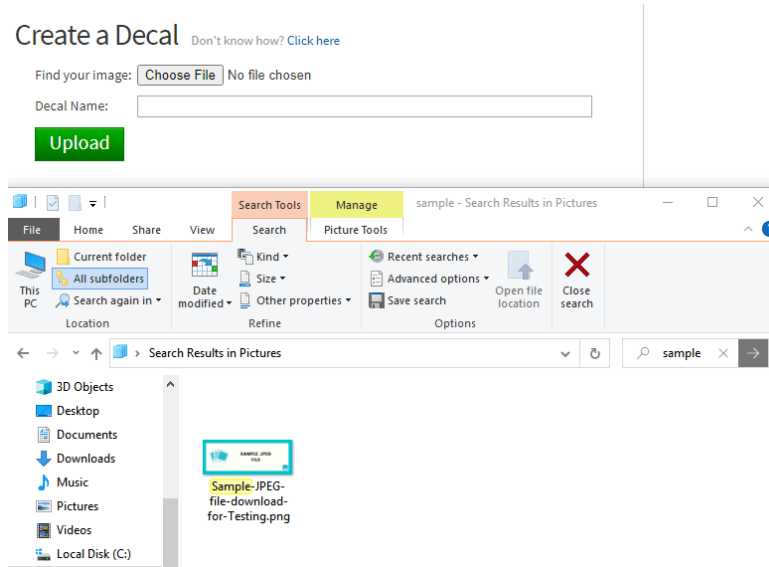

(how do i get my image id's?)

You can find your image id's in studio here:
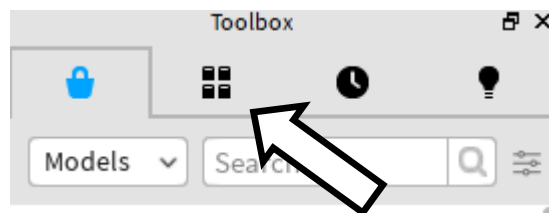

Then right click the image and select "copy id".

Or in the url here

SLIDESHOW

Step 1:   Open the Slideshow config in Slideshow_controller.

Step 2:   Copy your image ID.

Step 3:   Type "rbxassetid://" then paste the ID.

Step 4(optionall):   Change the time (in seconds)
